A satellite image of a tropical cyclone, showing a bright, swirling cloud structure with a distinct eye in the center. The image is predominantly blue and white, with the white representing the dense cloud tops and the blue representing the surrounding ocean or lower cloud layers. The cyclone is centered in the upper half of the frame.

Tropical Cyclone Conditions and Reception conditions

GENERAL INFORMATION

- Tropical Cyclone Conditions are used to move installations into higher states of readiness as a hurricane approaches
- Lackland uses a matching Reception Condition in order to prepare for the arrival of evacuees
- Each condition initiates preparatory actions appropriate to that stage of readiness

Tropical Cyclone Condition 4

- When Navy goes to Tropical Cyclone Condition 4 (possible destructive winds in 72 hours), Lackland enters Reception Condition 4.
- Lackland reviews procedures and begins preparatory actions for possible evacuation.

Tropical Cyclone Condition 3

- When Navy goes to Tropical Cyclone Condition 3 (possible destructive winds in 48 hours), Lackland enters Reception Condition 3.
- Lackland begins next level of preparatory actions for possible evacuation (physically begins setup).
- Arrival of Navy advon team.

Tropical Cyclone Condition 2

- When Navy goes to Tropical Cyclone Condition 2 (possible destructive winds in 24 hours) Lackland enters Reception Condition 2.
- Lackland completes preparatory actions and is prepared to receive evacuees.
- **Note: Do not evacuate until you are directed to do so.**

Tropical Cyclone Condition 1

- When Navy goes to Tropical Cyclone Condition 1 (possible destructive winds in 12 hours), Lackland enters Reception Condition 1.
- Lackland has completed all actions.

GENERAL INFORMATION continued

- Upon notification of severe weather evacuation, Lackland AFB Command Post will be notified with the following information:
 - Number of evacuees by gender, age, number of families, number of singles and individuals with special needs.
 - Number and type of pets.
 - Number of convoy vehicles.
 - Time of departure and estimated arrival time.
 - Special Requirements.
 - List of supply items being brought, if any.
- **Keep your computer data base info current!**

GENERAL INFORMATION continued

- WHAT SERVICES WILL BE AVAILABLE TO EVACUEES?
 - Basic needs (three meals and space to sleep) will be provided to the members. Any additional items beyond these basic needs will be at the members own expense.

GENERAL INFORMATION continued

■ Useful Phone Numbers

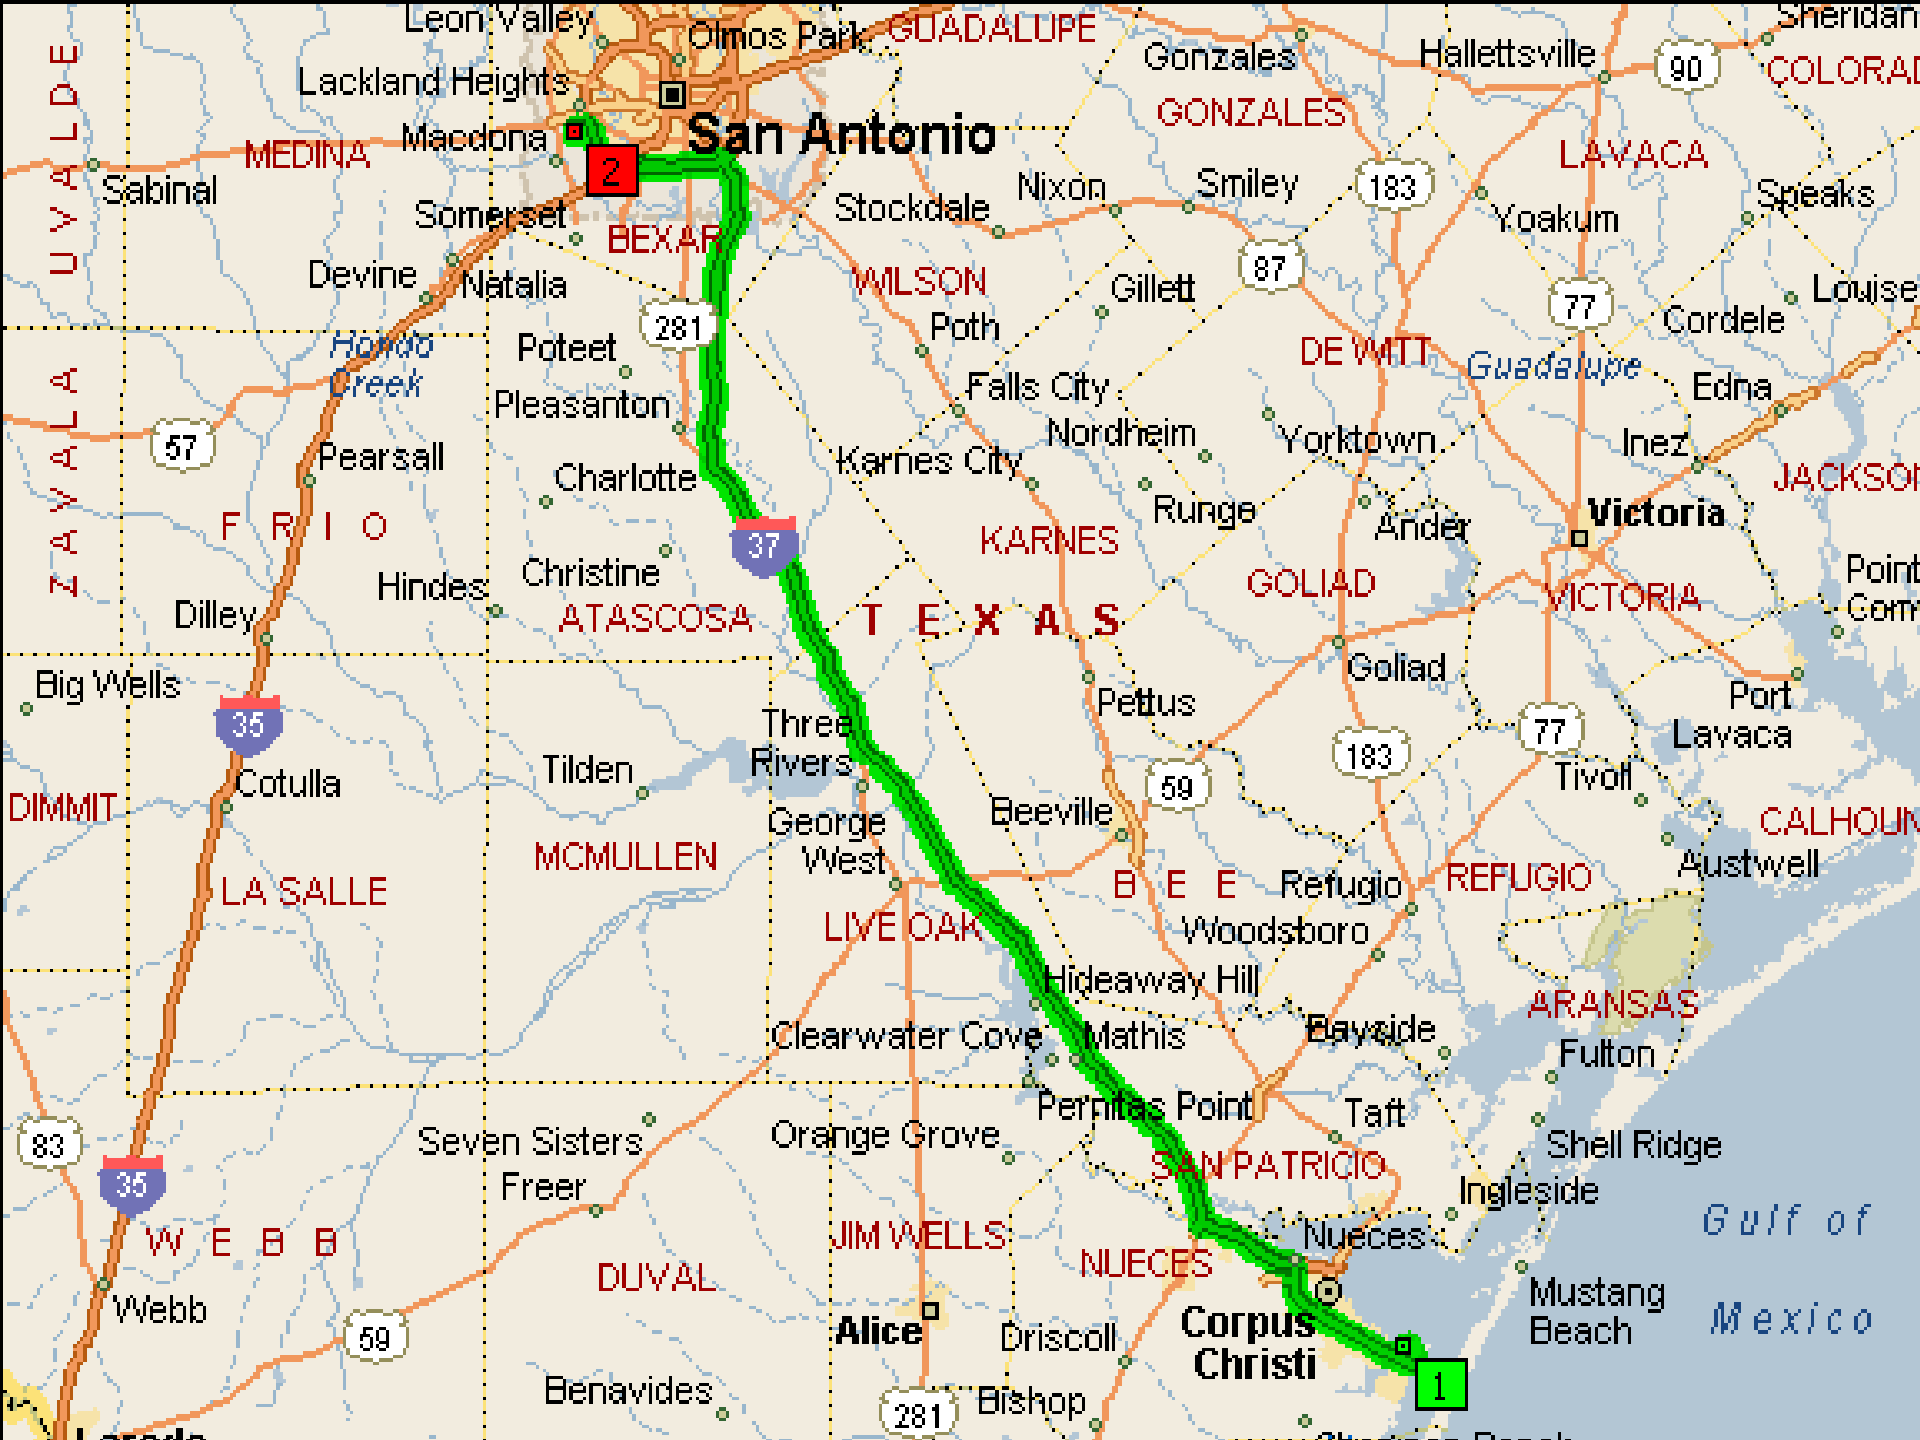

- 210-671-NEWS(6397)
 - PA information line
- 210-224-5151
 - American Red Cross (San Antonio)
- 210-655-1481
 - Animal Defense League

Pre-Planning

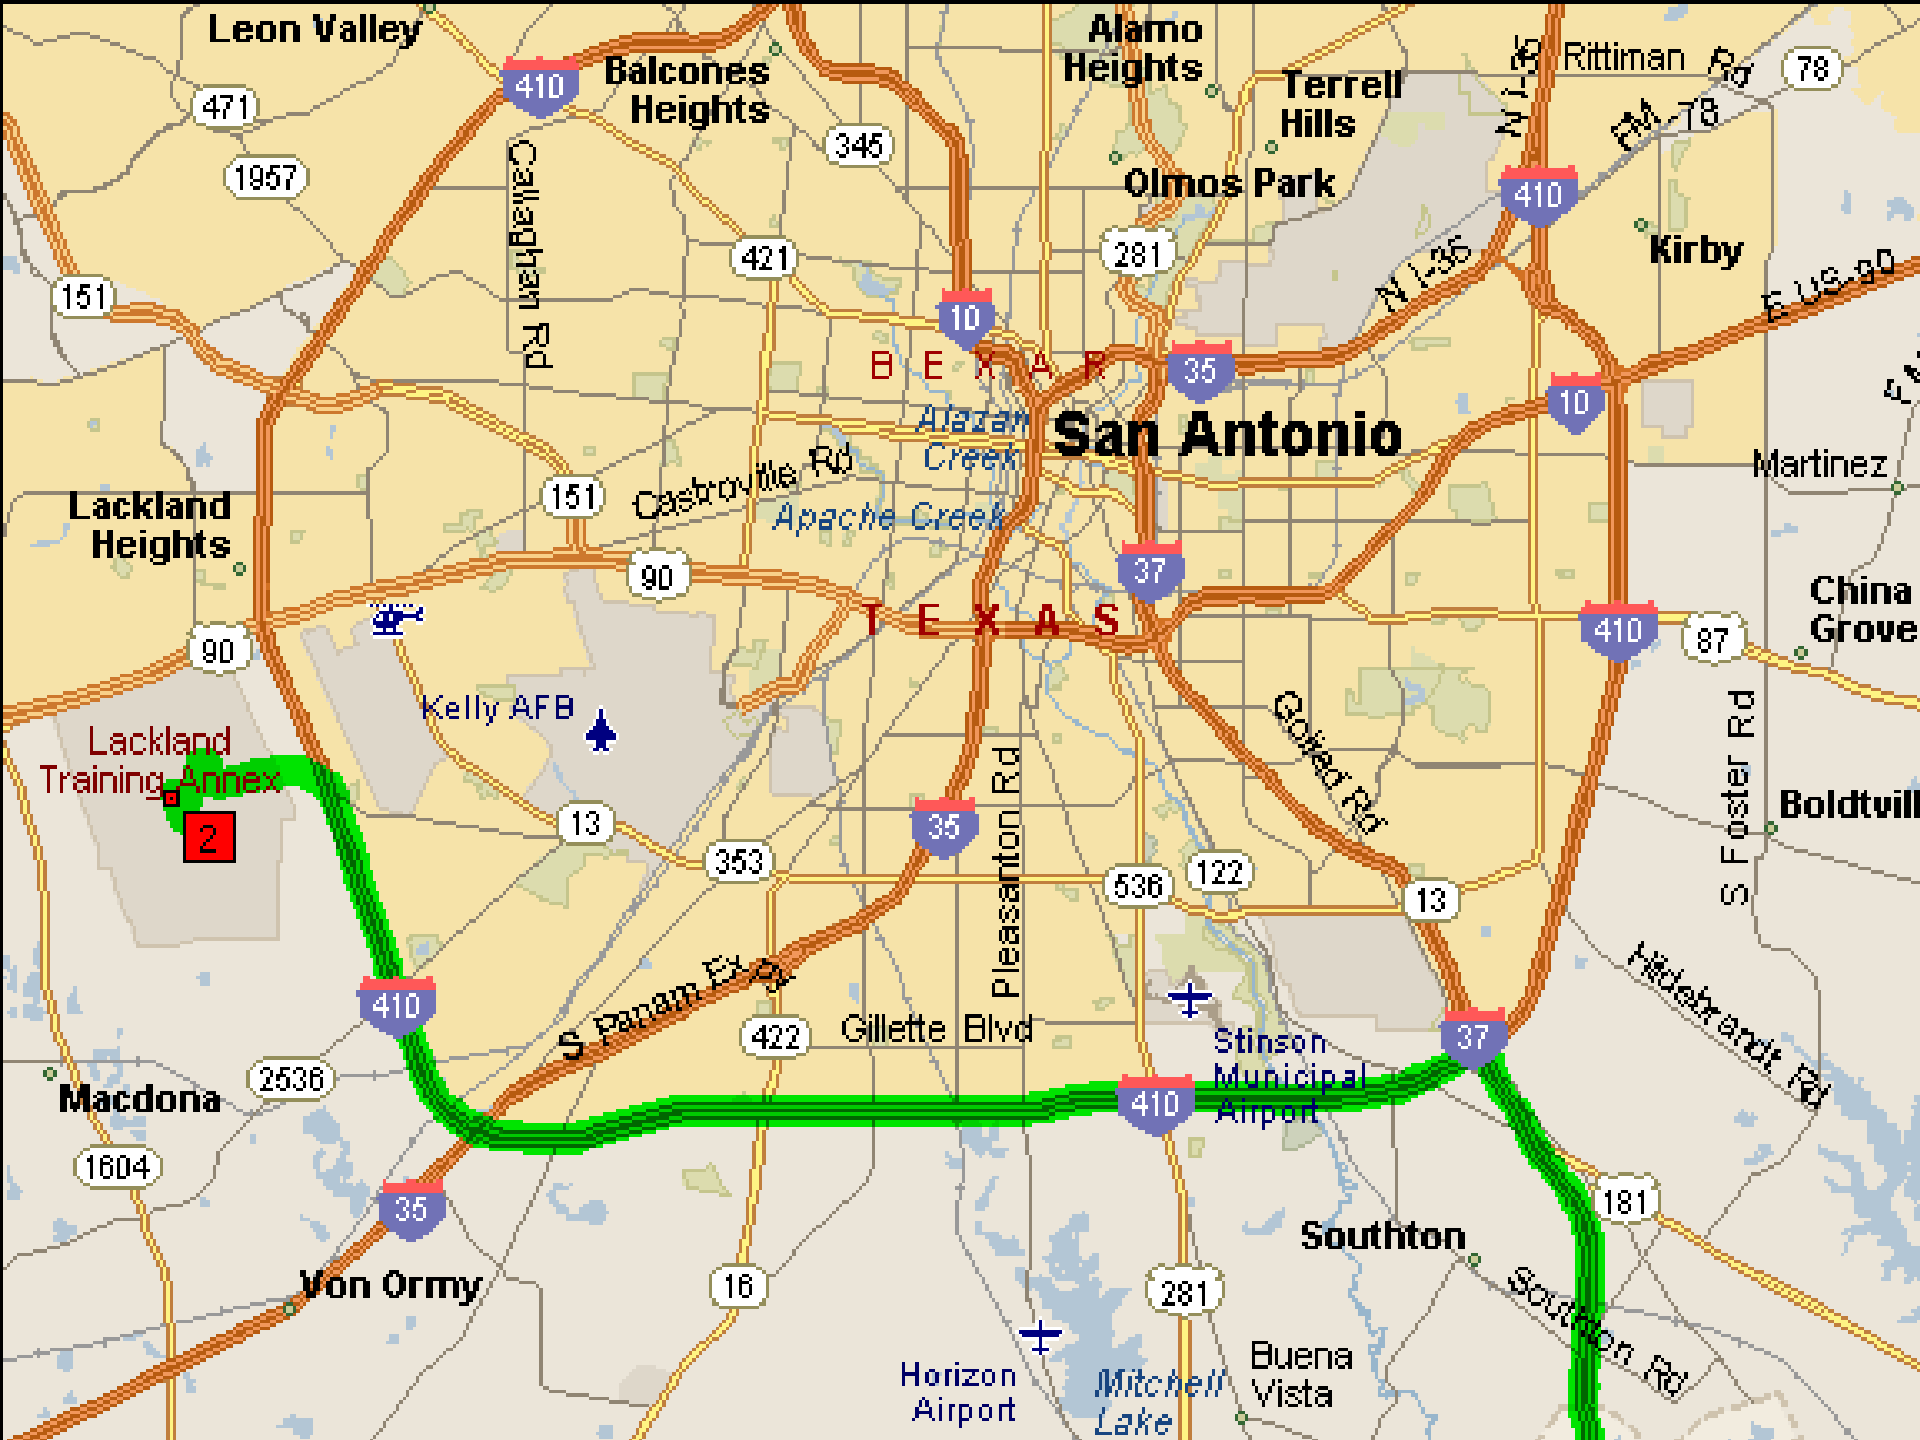

- Have a family evacuation plan
 - Items you will need to take
 - Clothing and toiletries
 - Medications
 - Money for unforeseen expenses
 - Items to tide you over until you in process
 - Pet items
 - Preparing your home
 - Long distance contact number outside the area in the event you are separated from your family members.
- Plan ahead for special needs

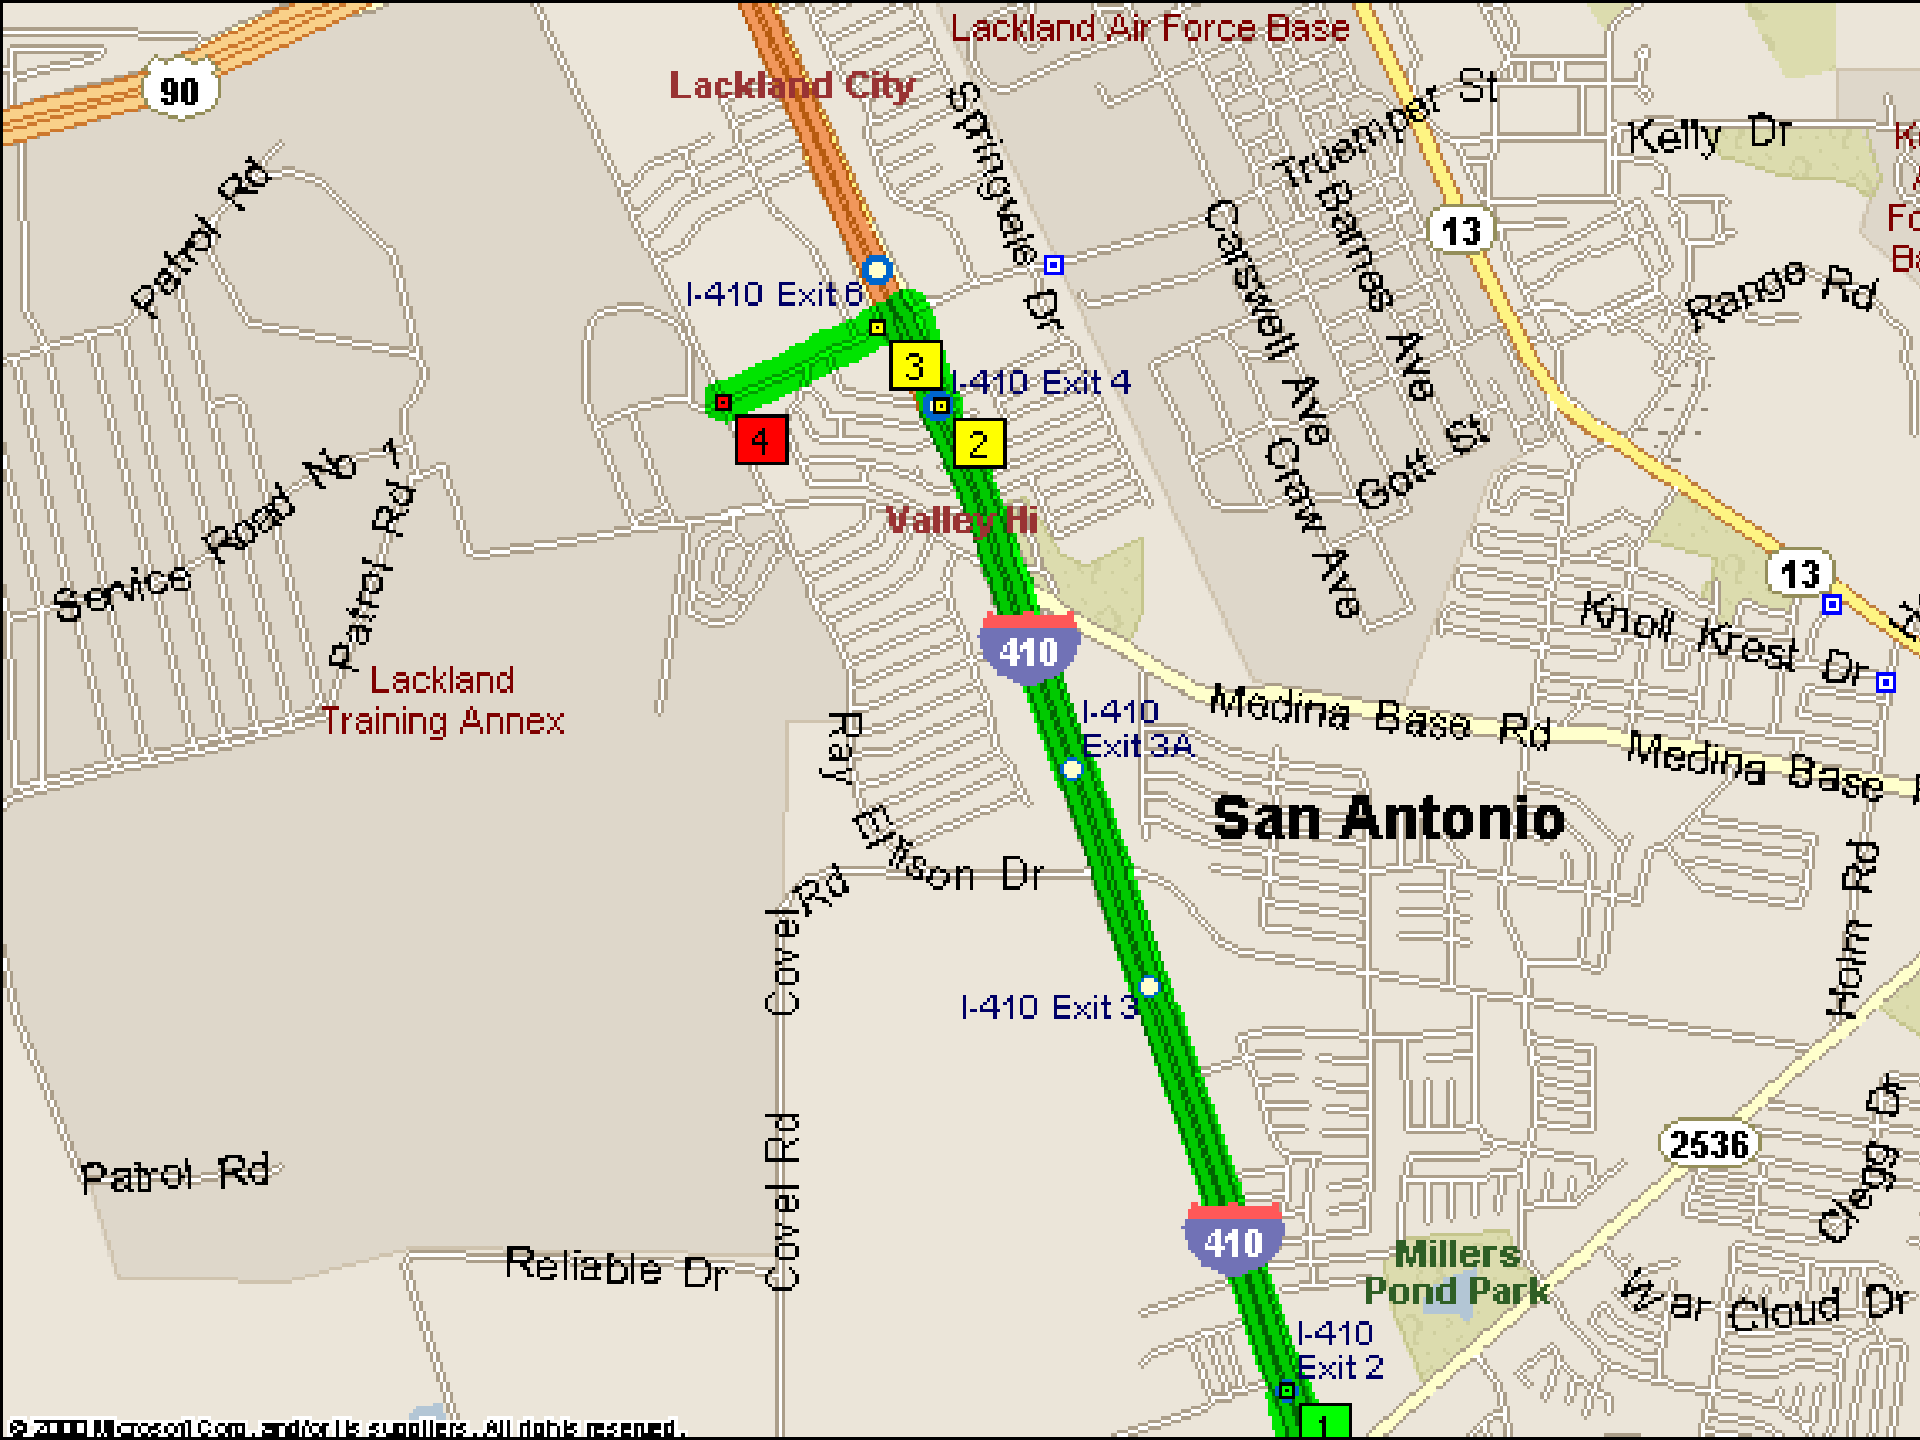

ROUTES TO TAKE

- The main route from Corpus Christi is Interstate 37 North to Exit 133, Interstate 410. Take the 410 West route and follow it to Exit 4, Valley High. Look for signs directing you to the evacuee reception center.

REPORTING PROCEDURES

■ Identification

- Personnel and family members evacuating from their home bases must their identification cards.
- Non-DOD civilian evacuees will be referred to the American Red Cross (ARC) for shelter registration in the San Antonio area.

REPORTING PROCEDURES

■ Vehicle Staging

- All vehicles will be centralized to control traffic flow on Lackland AFB. Security Forces will direct personnel to the holding area for the vehicles.
- Shuttle services will be provided on base. Vehicles will be safeguarded by Security Forces while in the holding area. Access to vehicles will be allowed, however, operation is prohibited.

REPORTING PROCEDURES

■ Inprocessing

- Information package will be provided and billeting arrangements assigned
 - Families and singles
 - Lodging, Dormitories, Other
- One article of luggage per family member in the shelters
- Leave firearms at home, if possible
 - Security Forces will store firearms brought on base and store them in the SFS Armory
- In processing may take some time so please be patient

REPORTING PROCEDURES

- **Medical care facilities**

- **Wilford Hall Medical Center is located on Lackland AFB. All medications currently taken for health purposes should be brought with you. Illegal and controlled substances will be monitored for during the registration process.**

PETS

A fluffy dog with black and white fur is lying down on a blue surface. The dog's head is turned towards the camera, and its fur appears soft and voluminous. The background is a solid blue color.

■ WHAT PETS CAN WE BRING?

- Cats and Dogs will be kenneled on base. Any exotic animals i.e. Pot Belly Pigs, Snakes, Poisonous Animals will not be kenneled on base. Pet kenneling areas are **not** climate controlled.

- Note: Pets are **not** allowed in lodging or in any shelters.

A black and white cat with orange patches is sitting on a light blue surface. The cat is looking towards the camera. The word "PETS" is written in large green letters in the top right corner.

PETS

- **Because of limited space and austere conditions, evacuees are encouraged to make their own arrangements for the care of their pets.**
- **Pets will be housed in temper tents by the reception center.**
- **Pets must be in kennels (supplied by evacuees)**
- **Different sizes and types of pets will be housed together**

PETS

- **Bring all necessary items for your pets:**
 - Food
 - Kennel *(Kennels will not be provided)*
 - Medications and medical records
 - Leash
 - Etc. . .
- **MEMBER IS RESPONSIBLE FOR PET CARE**
- Pet sheltering is done at evacuee's own risk

FREQUENTLY ASKED QUESTIONS

- DO MILITARY PERSONNEL NEED ORDERS IF AN EVACUATION IS CALLED?
 - No orders are required. In the event a weather condition threatens the coast, Lackland Command Post will be notified. Your military identification card and purpose for coming up will be your orders.

FREQUENTLY ASKED QUESTIONS

- IF NAVAL AIR STATION DOES NOT EVACUATE, CAN WE (COAST GUARD) STILL EVACUATE TO YOUR BASE?
 - It is unlikely that all installations on the coast will evacuate at the same time. Any commander that feels their base is being threatened will make that determination.

FREQUENTLY ASKED QUESTIONS

- WHAT WILL BE DONE WITH KIDS AND PARENTS, WILL THEY BE SEPERATED?
 - Families will be kept together. Single members will be housed separately.

FREQUENTLY ASKED QUESTIONS

- WHAT COMMUNICATIONS WILL BE AVAILABLE, PHONES, E-MAIL?
 - There are several facilities on base that have communication centers. These areas will be identified during the registration process.

FREQUENTLY ASKED QUESTIONS

- IF POV'S WILL BE REQUIRED TO STAY PARKED IN ONE LOCATION, WHAT TRANSPORTATION WILL BE AVAILABLE TO EVACUEES?
 - Shuttle services will be provided. A schedule of times and departing locations will be posted.
